1 falls on the last act and threats of -- I don't
2 remember exactly what it was, but basically making
3 comments about, you know, taking care of things and --
4 I remember -- the one thing I do remember is a curtain
5 falling on the final act and how, you know, how you'll
6 react to that.

7 Q Okay. And in your training and experience how did --
8 how did you perceive those to be threatening?

9 A Based on my experience, I mean, you know, when people
10 make comments like that I mean generally, you know, we
11 have to take them seriously. That's why I did contact
12 our City Attorney. Ran everything by her. Said, you
13 know, what do you think? And she agreed with me that
14 we do have enough PC to make the arrest.

15 Q And when you say PC you mean probable cause, correct?

16 A Yes. Yep.

17 Q Okay. And -- and so just so we're clear when you're
18 reviewing those text messages you're viewing them as
19 death threats potentially?

20 A Yes.

21 Q All right. And did you then go out and interview or
22 speak with Mr. Watson as part of your investigation?

23 A I did. Yes.

24 Q All right. And what was the nature of that
25 interaction?
